

GENERAL PROVISIONS

1. It shall be recognized at all times that the Contractor is not an employee of the Department, that he is engaged by contract, and that he shall not assume the prerogatives of an employee. The administrative officials of the Department, however, shall provide detailed instructions of the work to be performed and make appropriate inspections of services rendered.
2. If at any time during the effective period of this agreement, the Contractor should be appointed to a regular position in this Department or elsewhere in the service of the United States Government, this agreement will automatically terminate.
3. The Contractor shall, in the performance of his obligations hereunder, comply with all applicable Federal and State laws, rules and regulations.
4. Any entitlement of the Contractor to Old-Age and Survivors Insurance (Social Security) shall be entirely within the "self-employed" category and the Government shall not make any contribution thereto. The entire contribution shall be at the expense of the Contractor.
5. No member of or delegate to Congress, or resident commissioner, shall be admitted to any share or part of this contract, or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.
6. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty the Government shall have the right to annul this contract without liability or in its discretion to deduct from the contract price or consideration the full amount of such commission, percentage, brokerage, or contingent fee.
7. Billing shall be made in an original and two copies on Standard Forms 1034 and 1034a, citing contract number and applicable category and rate, properly certified and submitted to the Department of State, Office of Finance, Washington 25, D. C.
8. Reimbursements to the contractor for necessary taxicab fares and local telephone calls of an official nature required in performance of the services under this contract are hereby authorized.
